CONTRACT BONDS – UNDER \$350K

Thank you for giving Bond Brokers the opportunity to consider your account for bonding. In essence, surety is a credit relationship. Because of this, applying for a bond is similar to applying for a bank loan.

Sufficient time is needed to carefully consider all aspects of your submission. The more information you provide with this submission, the sooner a decision can be made. Analysis can be very time consuming, particularly if all items are not included in your submission.

Please provide us with the following information:

- 1) Bond application (included)**
- 2) Copy of awarded contract**
- 3) Business & personal financial statements**
- 4) Current insurance certificate**

Additional information may be required after the underwriter's review.
